Details & Features

Plymouth is constructed of quality veneers and solid acacia wood in a two-tone distressed finish. This group includes two table options including a round table that converts to an oval table and a rectangular table, both with leaves to accommodate more guests.

Adjustable/removable shelves and a removable 16-bottle wine rack on the Plymouth buffet provide multiple storage solutions while the antique bronze finish of the hardware adds warmth and charm to the piece.

The chairs showcase decorative carving throughout and offer your choice of a dark wood seat or a light fabric-upholstered seat.

To ensure a lifetime of smoothly operating drawers, Plymouth features side-mounted drawer guides with ball bearings and dovetail joinery to ensure a strong and tight fit.
