### ULTIMATE CLEANING TECHNOLOGY

There's a reason why Dolphin is the #1 selling robotic pool cleaner. Unlike competitor cleaners that use random patterns to clean the pool floor, Dolphins use CleverClean™ Smart Navigation with PowerStream to ensure complete pool coverage.

### SUSTAINABLY DESIGNED. ENERGY EFFICIENT.

The Dolphin T Line consumes an average of 5 cents of energy per hour and is 8 times more energy efficient than suction and pressure cleaners.

### BEST-IN-CLASS WARRANTY

The Dolphin T 55i comes with a full 2 year warranty covering parts and labor. The best protection of any robotic pool cleaner on the market.

## MyDolphin™ Plus app

Connect your Dolphin to the cloud using your home Wi-Fi®. With the New MyDolphin™ Plus app you can remote control your Dolphin, set up cleaning programs, check operation status, get proactive care tips, and more.

Wi-Fi®

## WHAT'S NEW!

### Always Connected

This Dolphin is always as close to you as your mobile phone or tablet. The MyDolphin™ Plus Wi-Fi® app puts full control of your robot right in your hand - from anywhere, at any time.

*\*Available on T 45 and T 55i only*

## Single Button Operation

New power supply designed for one touch operation - making Dolphins easy-to-use, while saving you time.

## No More Tangling

Tired of lots of hoses and cables? Dolphins are "plug and play" and include the patented Dolphin swivel technology that gets rid of tangling and ensures complete pool coverage.

## 2 Filters in 1 Basket

Our large capacity, top load filter baskets have dual fine and ultra-fine filtration to collect both large debris like leaves, plus the smallest particles of algae and dirt. Your pool becomes sparkling clean while you have more time to spend with family. Once finished, just remove the basket and rinse clean.
